ROOSEVELT HIGH SCHOOL  
Route No. One  
Lubbock, Texas

*This annual is dedicated  
to a newcomer,*

MR. WILLIS APPLE, High School Principal

who in a very short time has endeared himself to many through his kind, patient and helpful attitude. To him we want to say "Thanks."

*Welcome to  
Roosevelt School*

## *Our Superintendent Speaks*

Dear Students:

It is the desire of the administration of this school to provide you with the best school possible. However, the amount of good that you obtain from your school depends more upon you as an individual than upon the type of school we have. The School Board can provide buildings, teachers, equipment, etc., but only you can do the learning for yourself. May you put forth much effort to equip yourselves with those tools which you will need to live a more complete life.

Congratulations to the annual staff and Mrs. Ricky for giving us this nice annual. May we always treasure it as a means of reviewing the many happy days of this 1955-56 school year.

Very sincerely,

Marvin Williams

# Remember When!!

## *Senior Prophecy*

Nineteen hundred and sixty-six brings on great improvements in the telephone, reports Rosene Bittle, telephone operator. Just this week she has managed to learn about all her former classmates over the party lines. Here are the latest scandals and information concerning the Senior Class of 1966.

Would you ever believe it? Don Anderson is coach of the Harlem Globe Trotters.

Driving a Jaguar on the Pan American Speed Ways is Gayle Barnett, the only woman on the tracks!

The light barrier has at last been broken by the famous woman jet pilot, Hazel Blackburn.

The luck of the Mississippi Gambler, Bourbon Street, New Orleans, is still at a high peak, once known as Dalton Boyles.

True Story magazine has a new editor, Janice Bradshaw.

Everyone was grieved by Frank Sinatra's retirement, but cheer up--Danny Cate has taken his place-- he is billed as Danny Not-So-Hotca.

Madison Square Gardens--the world's woman heavy weight championship match will include Mildred Carty, Texas woman wrestler. Good luck Mildred.

At Roosevelt, Carol Falkner is still trying to finish her first assignment in American History still taught by Mrs. Speck.

Driving the ambulance for Rockefeller Institute is Monta Ferguson. Often there is great excitement, someone steps on a bookworm.

That artist that draws pin-ups for Esquire has just hired the gorgeous Shirley Herring as a model.

Groucho Marx has a new caddy, Butch Hettler. As a hobby he is a finger print expert in Washington.

Have you heard? Prince Rainer has thrown over Grace Kelley for Sae Jones!

The heir of the "goat-woman's" property is the handsome Judge McLeod. He fell in love with her while picking up paper in MacKenzie Park.

Be careful at Smoky Joe's Cafe, Shirley Price is a waitress there.

Roosevelt has a new calisthenics coach, the energetic Minnie Lois Rackler.

Sylvia Railsback has terrible corns--she's the dance instructor at Arthur Murray's.

This is a scream, Clifton Rodgers is taking up donations for the Texas State Teacher's College. He wants to better the plight of the teachers!

Look who's in poverty--Jack Sides, he has more trouble trying to collect enough to pay his speeding tickets.

Melba Thomason is a lush, curvaceous model for tall fashions at Neiman Marcus of Dallas, Texas.

Isn't it amazing what ten years will do to a person!
